

Benefits & Insurance Policy

Document Ref: HR-POL-005 | Effective: May 2026

TechV-Flash provides a comprehensive benefits package designed to support the physical, mental, and financial well-being of our employees. This policy outlines the insurance coverage and wellness benefits available to eligible staff.

1. Group Health Insurance (GHI)

TechV-Flash partners with leading insurers to provide cashless medical coverage across a wide network of hospitals in India. Coverage begins on Day 1 of employment, with pre-existing diseases covered immediately (waiver of waiting period).

1.1 Coverage Tiers

Employee Category	Sum Insured (Annual)	Dependents Covered
L1 - L3 (Associates to Seniors)	5,00,000 INR	Employee, Spouse, up to 2 Children
L4 - L6 (Leads & Management)	10,00,000 INR	Employee, Spouse, up to 2 Children

1.2 Parental Coverage (Voluntary)

Employees may opt to add up to two parents or parents-in-law to their policy during the annual enrollment window. The premium for parental coverage is funded entirely by the employee via monthly payroll deductions. Parental coverage is subject to a 20% co-payment on all claims.

1.3 Maternity Benefits

The GHI policy includes maternity coverage up to 50,000 INR for normal delivery and 75,000 INR for C-section, with a waiver of the standard 9-month waiting period.

1.4 Room Rent Limits

Room rent is capped at 1% of the total sum insured per day for normal rooms and 2% per day for ICU admissions.

2. Additional Insurance Policies

2.1 Group Term Life Insurance (GTLI)

TechV-Flash provides fully employer-funded Term Life Insurance for all Full-Time Employees. The sum assured is equivalent to 3x the employee's annual Fixed CTC. This benefit is payable to the designated nominee in the event of the employee's death.

2.2 Group Personal Accident Insurance (GPA)

This policy covers employees for accidental death or disability. The coverage limit is 20,00,000 INR. It includes provisions for temporary total disability (income replacement) and permanent partial disability.

3. Wellness & Lifestyle Benefits

3.1 Annual Wellness Stipend

Eligible employees receive an annual wellness stipend of 12,000 INR. This stipend operates on a reimbursement model and can be used for gym memberships, fitness classes, or specialized wellness apps.

Tax Implication: As per Section 17(2) of the Income Tax Act, wellness stipends paid as cash reimbursements are considered taxable perquisites and will be reflected in the employee's Form 16.

3.2 Employee Assistance Program (EAP)

Employees have access to 24/7 confidential counseling services for mental health, financial, or legal advice, fully funded by the company.

4. Claims & Reimbursement Process

4.1 Cashless GHI Claims

For planned hospitalizations, employees must notify the TPA (Third Party Administrator) via the insurer's portal at least 48 hours in advance to secure cashless approval.

4.2 GHI Reimbursement Claims

If treated at a non-network hospital, employees must settle the bill and submit a reimbursement claim within 15 days of discharge, including original bills, discharge summaries, and diagnostic reports.

4.3 Wellness Stipend Claims

Wellness stipend claims must be submitted quarterly via the internal expense portal with valid GST invoices. Submissions without proper documentation will be rejected.

5. Dental & Vision Care Coverage

To ensure basic healthcare, the company offers coverage for dental and vision consults and interventions, outside standard medical hospitalization.

5.1 Dental Treatment Reimbursement

Employees can claim up to 5,000 INR annually for non-cosmetic dental treatments (e.g., fillings, root canals, extractions). Cosmetic dental surgeries or orthodontic braces are excluded from reimbursement.

5.2 Vision Care Allowance

An allowance of 3,000 INR every two financial years is provided for eye checkups and the purchase of corrective lenses/spectacles. Valid prescription copies and tax invoices are required for processing claims.

6. Maternity, Paternity & Creche Benefits

6.1 Adoption Support Stipend

To support diverse family choices, TechV-Flash offers an Adoption Support Stipend of 50,000 INR for employees legally adopting a child under 3 years of age. This helps cover legal filings and agency fees.

6.2 Creche Allowance & Tie-ups

Under statutory norms, the company has partnered with premium daycares near the Pune HQ. Employees are eligible for a daycare subsidy of up to 6,000 INR per month for children aged 6 months to 6 years.

6.3 Table of Corporate Creche Tie-ups

Creche Partner Name	Location / Coverage	Eligible Age Range	Monthly Subsidy (Max)

First Steps Early Learning	Kharadi, Pune	1 Year to 6 Years	5,000 INR per month
Kidzee Play & Care	Hinjewadi Phase 1, Pune	6 Months to 5 Years	5,500 INR per month

7. Corporate Discounts & Perks

7.1 Technology purchase program

Employees are eligible for 10% discount codes on specific hardware manufacturers (e.g., Apple, Dell) for personal purchases. Once a device reaches 3 years of age, employees can buy back corporate laptops at depreciated scrap values.

7.2 Hotel & Travel Discounts

Our corporate flight and hotel rates (typically saving 15-20% compared to retail prices) can be utilized by employees for their personal/family leisure travels when booked via the corporate travel desk.

8. Education & Skill Development Benefits

8.1 Professional Certifications

Employees can seek 100% reimbursement for approved technical and management certifications (e.g., AWS, PMP, Scrum Master). The certification must align with current or future business needs and require manager pre-approval.

8.2 Tuition Assistance for Higher Studies

For employees pursuing executive degrees or diplomas, a partial tuition reimbursement of up to 1,00,000 INR per year is available. A service bond of 1 year applies post-completion of the program.

8.1 Table of Tuition & Certification Reimbursements
