1. General Employment Policies

1.1 Employment Classification

TechV-Flash classifies employees into three main categories: Full-Time Employees (FTE), Part-Time Employees (PTE), and Interns/Trainees. Benefits and policy applicability vary by these classifications unless explicitly stated otherwise.

1.2 Probationary Period

All new Full-Time Employees are subject to a standard 90-day probationary period. During this time, employment may be terminated by either party with a 15-day notice. Interns do not have a probationary period as their contract is strictly term-based.

1.3 Working Hours & Core Hours

The standard workweek is 40 hours for Full-Time Employees, running Monday through Friday. While we offer flexible start and end times, all employees must be available online or in-office during the "Core Collaboration Hours" of 11:00 AM to 4:00 PM (IST).

1.4 Employee Badges & Office Access

Physical ID badges are required for entry to the Pune facility. Badges must be visibly worn at all times. A lost badge must be reported immediately to IT Security. The replacement fee for a lost badge is 500 INR, which will be deducted from the subsequent payroll cycle.

2. Workplace Etiquette & Environment

2.1 Dress Code

TechV-Flash maintains a "Smart Casual" dress code. Clothing must be neat, clean, and professionally appropriate. Employees attending client meetings or external conferences must adhere to "Business Professional" attire.

2.2 Hot-Desking & Clean Desk Policy

To foster collaboration, the office utilizes a hot-desking model. Desks cannot be permanently claimed. Employees must clear all personal belongings, printed documents, and hardware from their desks at the end of their shift in accordance with our Information Security protocols.

2.3 Open Door Policy

We encourage open communication. If an employee has a concern, idea, or grievance, they are encouraged to discuss it first with their direct manager. If unresolved, they may escalate directly to HR or any member of the senior leadership team without fear of retaliation.

3. Equal Opportunity & Inclusion

3.1 Non-Discrimination

TechV-Flash is an equal opportunity employer. We strictly prohibit discrimination or harassment based on race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression.

3.2 Accommodations

Employees requiring reasonable accommodations for medical, religious, or ergonomic reasons (e.g., standing desks, specialized hardware) must submit a formal request via the HR portal. Approvals are typically processed within 5 business days.

Important Note on Policy Updates: TechV-Flash reserves the right to modify, revoke, suspend, or terminate any or all policies and procedures outlined in this handbook, in whole or in part, at any time, with or without prior notice.
