TechV-Flash | Document Ref: HR-POL-002 | Effective: January 2026

Objective: To establish clear guidelines regarding employee time off, ensuring a healthy work-life balance while maintaining operational continuity for TechV-Flash globally.

Approved by: NEERAJ MAYEKAR, CEO

1. Paid Time Off (PTO) & Casual Leave

1.1 Annual Allotment

Full-Time Employees (FTE) are entitled to 18 days of Paid Time Off (PTO) per calendar year, accrued at a rate of 1.5 days per month. Part-Time Employees accrue PTO on a pro-rated basis aligned with their contractual hours.

1.2 Carryover Policy

FTEs may carry over a maximum of 5 unused PTO days into the following calendar year. These carried-over days must be utilized by March 31st of the new year, or they will expire.

Intern Exemption: Interns and trainees are not eligible to accrue or carry over Paid Time Off. Any time off taken by interns is considered Unpaid Leave unless explicitly approved by the Department Head.

2. Sick & Medical Leave

2.1 Sick Leave Entitlement

FTEs are granted 12 days of Sick Leave annually (1 day per month). Sick leave is designed for personal illness, injury, or medical appointments. Sick leave cannot be carried over to the next year and cannot be cashed out upon resignation.

2.2 Medical Documentation

If an employee takes more than 3 consecutive days of sick leave, a valid medical certificate from a registered medical practitioner must be submitted to HR on the day they resume work. Failure to provide this may result in the days being marked as Leave Without Pay (LWP).

3. Holidays

TechV-Flash observes 12 public holidays per year for the Pune HQ. Of these, 10 are fixed holidays and 2 are "Floating Holidays" that employees can use for regional or personal cultural events.

Holiday Category	Number of Days	Approval Requirement
Fixed Public Holidays (e.g., Republic Day, Diwali)	10 Days	None (Company-wide closure)
Floating Holidays	2 Days	Manager approval via HR Portal, 7 days in advance

4. Special Leave Categories

4.1 Maternity & Paternity Leave

In accordance with the Maternity Benefit Act, female employees are entitled to 26 weeks of paid maternity leave. Male employees are eligible for 2 weeks (10 working days) of paid paternity leave, which must be taken within 6 months of the child's birth.

4.2 Bereavement Leave

In the unfortunate event of the passing of an immediate family member (spouse, child, parent, or sibling), employees are entitled to up to 5 days of paid Bereavement Leave.

5. Attendance & Clock-in Protocol

5.1 Logging Hours

All non-exempt employees must log their start and end times via the internal TechV-Flash HR Portal. A grace period of 15 minutes is allowed for the start of the defined "Core Hours" (11:00 AM).

5.2 Unapproved Absence (No Call/No Show)

Failing to report to work and failing to notify a manager for 3 consecutive working days is considered job abandonment and may lead to immediate termination.

6. Leave Encashment & Financials

6.1 Encashment Eligibility

Only Paid Time Off (PTO) is eligible for encashment. Accumulated Sick Leaves, Special Leaves, and Floating Holidays cannot be encashed. Employees can encash up to 10 days of unused PTO annually during the December payroll window, provided they maintain a minimum balance of 8 PTO days.

6.2 Calculation Formula

The encashment value is calculated based on the employee's monthly basic salary. The formula applied is: $(\text{Basic Salary} / 30) * \text{Number of Days Encashed}$. Encashment payments are fully taxable as per the prevailing income tax slabs and are subject to PF deductions.

7. Compassionate & Caregiver Leave

7.1 Caregiver Leave

Employees are eligible for up to 5 days of paid Caregiver Leave per calendar year to attend to a seriously ill dependent (child, spouse, or parent). This leave is distinct from Sick Leave and requires prior notification to the reporting manager.

7.2 Supporting Documents

For Caregiver Leave exceeding 2 consecutive days, a medical certificate or hospital admission proof of the dependent must be shared with HR. Self-declaration forms are accepted for single-day absences.

8. Sabbatical Leave Policy

8.1 Eligibility Criteria

Full-Time Employees who have completed a minimum of 4 consecutive years of service at TechV-Flash are eligible to apply for a Sabbatical. Sabbaticals are granted for personal research, higher education, or health recovery reasons.

8.2 Duration & Re-entry

A Sabbatical can range from a minimum of 3 months to a maximum of 6 months. It is an unpaid leave period, and the employee's role is held secure until the agreed re-entry date. Requests must be submitted at least 60 days in advance.

9. Compensatory Off (Comp-off)

9.1 Earning Comp-off

Employees in non-exempt roles who work on a weekend or public holiday for critical project releases or customer deployments are eligible to earn a Compensatory Off. Working on standard weekdays beyond standard hours does not qualify for Comp-off.

9.2 Validity & Approval Workflow

All Comp-offs must be approved by the Department Head. Once approved, the Comp-off is credited to the HR Portal and must be utilized within 60 calendar days from the date of earning. Expired Comp-offs cannot be reactivated or encashed.

9.3 Table of Comp-off Earning & Expiry Rules

Work Day Type	Minimum Hours Worked	Comp-Off Credit	Validity Period
Standard Weekend (Saturday/Sunday)	4 to 6 Hours	0.5 Day Comp-off	60 Days from Date of Work

10. Special Casual Leaves

10.1 Voting / General Elections Leave

On days of local, state, or national elections, employees registered to vote in that constituency are granted a full day of paid voting leave to exercise their civic rights. Proof of voting (e.g., inked finger photo) may be requested by HR.

10.2 Marriage Leave

Full-Time Employees are entitled to up to 5 consecutive working days of paid Marriage Leave for their own marriage. This benefit can be availed only once during their tenure at TechV-Flash and must be planned 30 days in advance.

10.3 Study / Examination Leave

Employees pursuing approved higher education or certifications relevant to their job roles can apply for up to 3 days of paid Study Leave per calendar year to prepare for and write exams. Exam schedules must be submitted to the manager.
