

Recruitment & Onboarding Policy

Document Ref: HR-POL-013 | Effective: January 2027 | Scope: Global Operations

TechV-Flash aims to attract, evaluate, and onboard top-tier talent through a transparent and compliant process. This policy dictates the standards for hiring, background verifications, document submission, and the probationary lifecycle.

1. Employee Referral Program

1.1 Referral Bonus Eligibility

Active employees who refer a candidate successfully hired for a Full-Time role are eligible for a Referral Bonus of 25,000 INR for L1-L3 positions and 50,000 INR for L4+ positions. Intern conversions do not qualify for referral bonuses.

1.2 Bonus Payout Timeline

The referral bonus is disbursed in two tranches: 50% in the payroll cycle immediately following the new hire's joining date, and the remaining 50% upon the new hire's successful completion of their 90-day probationary period.

2. Background Verification (BGV)

2.1 Mandatory Checks

All offers of employment are contingent upon the successful completion of a comprehensive Background Verification (BGV). This includes education validation, criminal record checks, and employment history (for the past 5 years or last 2 employers, whichever is greater).

Falsification of Records: Any discrepancy found during the BGV process, including forged experience letters, undisclosed terminations, or fake educational degrees, will lead to the immediate withdrawal of the offer letter or instant termination if the candidate has already joined.

3. Day 1 Documentation

New hires must submit self-attested digital copies of the following documents to the HR portal at least 48 hours before their Date of Joining (DOJ). Original documents must be presented on Day 1 for visual verification.

Document Category	Specific Requirements
Identity & Address Proof	Aadhaar Card, PAN Card, and Valid Passport (mandatory for international travel eligible roles).
Educational Proofs	Highest degree certificate and consolidated mark sheets.
Previous Employment	Relieving letter / Experience letter from the immediate past employer, and the last 3 months' payslips.
Financial Info	Cancelled cheque for salary account mapping.

4. Probationary Period

4.1 Duration and Confirmation

All newly hired Full-Time Employees undergo a mandatory 90-day probationary period. At the end of 90 days, the manager will conduct a confirmation review. If performance is satisfactory, a formal Confirmation Letter will be issued.

4.2 Extension of Probation

If performance metrics are not fully met, TechV-Flash reserves the right to extend the probationary period by an additional 30 to 60 days, during which time the employee will not be eligible for standard benefits such as the Annual Learning Allowance or internal transfers.

4.3 Notice Period During Probation

During the probationary period, either party (the employee or TechV-Flash) may terminate the employment contract by serving a written notice of 15 days, without assigning any specific reason.

5. Recruitment Sourcing Channels & Guidelines

5.1 Sourcing Channels

Candidate sourcing is managed via job portals, direct website applications, campus recruitment, and registered recruitment agencies. Direct listings on the company job board are the preferred sourcing channel.

5.2 Sourcing Agency Engagement

Engagement of external staffing agencies is permitted only when approved by the Talent Acquisition Head. Placement fees are governed by the Corporate Staffing Agreement.

6. Candidate Interview & Assessment Protocol

6.1 Structure of Interview Rounds

Hiring involves a structured process: resume screening, technical assessment, technical panel interview, and manager review. Critical engineering roles include a hands-on system coding round.

6.2 Candidate Feedback SLAs

Interview panels must submit written feedback scorecards via the recruitment system within 24 hours of completing the round. This ensures timely candidate updates.

6.3 Table of Interview Evaluation Matrix

Interview Phase	Primary Evaluated Focus Areas	Minimum Score Target	Required Panel Sign-offs
Technical Assessment	Problem-solving capabilities, algorithm speed, coding syntax correctness.	70% on test portal	Talent Acquisition Coordinator
Technical Panel Round	Architectural awareness, tech stack depth, design patterns.	3.5 out of 5.0	Two Senior Engineers / Tech Leads
Manager / Culture Round	Team collaboration, communication skills, adaptability.	Pass / Fail check	Department HOD / Engineering Director

7. Offer Release & Negotiation Standards

7.1 Compensation Band Adherence

Salary offers must align with defined corporate compensation bands. Exceptions require written approval from the Chief Financial Officer (CFO) and HR Director.

7.2 Offer Validity and Acceptance

Released offer letters are valid for 5 business days. Candidates must accept and submit their digital signatures on the portal within this timeline, or the offer is revoked.

8. Onboarding Logistics & IT Setup

8.1 Email & Corporate Credentials

IT Operations provisions corporate email accounts and security keys 48 hours prior to DOJ. Access cards are prepared and issued at the reception desk on Day 1.

8.2 Hardware Shipping for Remote Hires

Laptops and welcome kits for remote employees are shipped to their verified addresses, scheduled to arrive at least 1 day before the DOJ. Remote setups are coordinated by IT support.

9. Relocation Support for New Hires

9.1 Travel & Logistics Reimbursement

New hires relocating to the Pune HQ are eligible for travel support. Economy flights or train tickets are booked by the corporate travel desk.

9.2 Table of Candidate Travel Slabs for Interviews

Outstation Location	Approved Travel Mode	Hotel Lodging Cap	Meal per Diem Allowance
Within 500 km radius	AC 2-Tier Train / Bus	3,000 INR per night (Max 2 nights)	1,000 INR per day
Above 500 km radius	Economy Class Flight (Lowest fare)	4,000 INR per night (Max 2 nights)	1,200 INR per day
International Locations	Economy Class Flight (Manager approved)	\$120 USD per night (Max 3 nights)	\$60 USD per day

10. Buddy Program & Onboarding Milestones

10.1 Onboarding Buddy Allocation

To facilitate socialization, new hires are paired with an onboarding buddy from a neighboring team. Buddies help navigate office logistics and introducing company culture.

10.2 Table of New Hire Milestones & SLAs

Milestone Target	Required Action Item	Primary Responsible Owner	Verification Checklist Target
Day 1	Document verification, hardware setup, security keys provisioning.	HR Operations & IT Helpdesk	Access card and laptop active
Day 30	SMART KPI goals definition, project training modules completion.	Reporting Manager & New Hire	KPIs logged in HR portal
Day 60	Mid-probation review, checking task completions and feedback.	Reporting Manager	Progress report filed in portal
Day 90	Final probationary appraisal, confirmation scorecard submission.	Reporting Manager & HRBP	Confirmation letter generated

11. Induction Training & Core Values

11.1 Day 1 Corporate Induction

The HR team conducts the corporate induction program on Day 1, covering TechV-Flash history, leadership structures, and core operating values.

11.2 Compliance Training Deadlines

New hires must complete basic compliance training modules (Information Security, Data Privacy, and POSH guidelines) within the first 15 days of joining. Access to production servers is restricted until these are completed.
